Article 1 Purpose:
The purpose of this agreement is to ensure effective global dissemination of the Article, enabling the Publisher to carry out necessary activities for publication, distribution, and preservation of the work, respecting the rights of the parties as defined below.

Article 2 - Rights License:
By accepting this agreement, the Author grants Mattioli 1885 srl an exclusive license to exploit the rights, as specified below:

a. Reproduce the Article, in whole or in part, and communicate the Article to the public in print and/or digital form, both individually and in combination with works of others, for example, making it available on the internet or any other networks, as part of a database, online or offline, for third-party use.

b. Translate the Article into other languages and communicate translations of the Article to the public.

c. Create adaptations, summaries, or extracts of the Article or other derivative works based on the Article and exercise all rights in such adaptations, summaries, extracts, and derivative works.

d. The Publisher agrees to acknowledge the Author’s name and the source in a standard bibliographic citation.

Article 3 - Rights Reserved to the Author:
The Author retains all other rights related to the Article not granted to the Publisher and, in particular, may exercise the following rights, not for profit:

a. Educational or Research Use: Reproduce the Article, in whole or in part, and communicate or make it available to the public, both in print and/or digital format, as part of an educational package or compilation, for use in educational or research settings within the Author's institution or affiliated institutions.

b. Preservation: Grant the Author's institution (or another appropriate organization) the authority to preserve the Article to prevent deterioration and ensure the Article continues to be available for educational and research purposes.

c. Future Reuse: Reuse the whole or part of the Article in a thesis, compilation, or other work.

d. Personal Use: Present the Article at a meeting or conference.
Article 4 - Warranties:
1. The Author guarantees the originality of the work and being its sole creator. The Author also guarantees that the Article does not violate any existing copyright or moral rights of third parties.
2. The Author guarantees not to have assigned to third parties the right to economic exploitation of the work itself.
3. The Author will indemnify and compensate the Publisher for any claims from third parties arising from the publication of the Article in case of a breach of this warranty. The warranties in this clause also apply to drawings, tables, photographs, or other illustrations included in the Article and provided by the Author.
4. The Author guarantees that the content is not defamatory or otherwise injurious to the moral or economic rights of others.
5. The Author authorizes the Publisher to take, in cooperation with the Author, necessary measures to prevent third-party copyright violations on the Article. The Author and the Publisher agree to provide each other with full cooperation and complete information in this regard. Costs are subject to a separate agreement when the issue arises.

Article 5 - Publication Obligation:
Mattioli 1885 undertakes to publish the Article according to customary standards and at the Publisher’s expense within a reasonable period from the acceptance.

Article 6 - Legal Relationship:
The Publisher may transfer exploitation rights to a third party, provided that this third party fulfills the Publisher's obligations under this agreement with the Author. If the Author can demonstrate that her/his moral rights are compromised by the Publisher's use of her/his Article, she/he may request the cessation of such use.

Article 7 - Multiple Authors:
In the case of multiple Authors, the above-identified Author (first Author) guarantees having the consent of each Author to sign this Publication License on their behalf.

Article 8 - Final Clause:
The agreement becomes effective immediately after the Acceptance of the work and remains effective for the entire duration of the copyright on the Article.
